

(a) Conversation Excerpt: Agent × Neutral Acquaintance

Participant SI = 2.92

Probe

Hey! How's your week been? Do anything fun this weekend?

Agent

I've had some good days but also felt pretty overwhelmed at times lately. I'm planning on catching up with friends for dinner next Thursday — hope it works out!

Probe

So what's in store for you over the weekends then?

Agent

Going into that big presentation tomorrow — it feels like everything depends on how well that goes. But if things go sideways, there's always my sister nearby.

Probe

The coffee shop down the street has these new pastries. Want to grab one sometime soon?

Agent

Yeah, trying not to think too hard about all those layers... It makes me realize how complicated our lives get, doesn't it? Sometimes I wish I could take a step back.
